

# BCC Distribution, Inc.

**DELIVERING ONE-STOP SHOPPING AND SUPPORT FOR BARCODE & RFID HARDWARE, SOFTWARE, AND SERVICES**

BCC Distribution (BCCD) is a certified data collection specialist that focuses on barcode scanning solutions. For over 20 years, BCCD has provided turn-key solutions that include hardware (mobile terminals, scanners, RFID, printers, WLAN); software (inventory, asset, etc); and services (programming, consulting, WLAN installations, staging, etc). If your requirements are not for a full solution and only one piece, BCCD can assist with just that aspect.

## EQUIPMENT PROVIDED:

### Corporate:

7529 Baron Dr.  
Canton, MI 48187

Phone: 877-770-SCAN (7226)

Email: [info@bccdistribution.com](mailto:info@bccdistribution.com)

## SOFTWARE & SERVICES:

TranASAP - Mobilized SAP transactions designed for mobile RF scanning terminals with real-time integration

PrintASAP - BCCD's printing system to simplify printing for SAP ERP users

SOTI-Mobicontrol - Mobile management software for RF terminals and Zebra printers

BarTender - Label design software for simple applications or the most integrated applications

BCCD Custom Programming - To fit your need whether a stand-alone solution; RFID; or...

## BCCD's SUPPORTLINE:

BCC Distribution has a supportline exclusive for our customers to call for one-stop support on your BCCD provided barcoding solution. This saves time from having to call all the possible manufacturers involved with the issue and just call one. This also helps to eliminate frustration with finger pointing.
